VIN DE PAYS DE CÔTES DE GASCOGNE

THE BIRTHPLACE OF ARMAGNAC

Located in the heart of Gascony in the prestigious “Bas-Armagnac” area, the Miselle estate is made up of 70 acres of vineyards, spread over slopes on typical loamy-sand soils called “sables fauves.” At the center of the vineyards is the estate’s cellar.

This terroir is perfectly suited to a wide range of grape varieties. These are noble Côtes de Gascogne vintages, elegant, full, fresh, and lively. The family-run Estate pursues its commitment to create, with the greatest possible respect for the vine and the environment, wines that give full expression to the terroir of the Gascony region.
