

# BISTRO VODKA

*La Fine Vodka*

## The Spiritique Story:

Spiritique was started when three guys who had been working in the spirit business for most of their careers decided to get together and create a company that specializes in quality French Spirits made from the best ingredients, presented in really handsome packaging. Every Spiritique product is carefully crafted in France, respecting tradition while embracing innovation.

## The Bistro Story:

In 1814 the Russian army was in Paris. Although they were not allowed to drink in pubs, they were served vodka when they asked for a quick drink. "Quick" being "быстро" (bistro) in Russian. Thus the Parisian "Bistro," a place to have a quick drink or light meal was born.

## The Bistro Recipe:

Bistro Vodka is made from top quality French wheat. Distilled five times in a triple pot still. The results are a perfectly balanced, clean and light vodka with an ABV of 40%.

## Tasting Notes:

A well rounded and highly refined nose, somewhat floral, with a nice freshness. Clean, crisp, and delicate on the palate, with soft aromatic nuances and a light lingering finish. No bitterness or afterburn.

## Awards:

95 points, Gold Medal - *International Wine & Spirit Challenge*
